lead by the court and the new media to believing that we were having a hearing on the September 18 and 19 2013. In the judges own words on page 44 of 150 of his order and Opinion he called what we thought was testimony a "presentation" were moving, passionate, thoughtful, compelling and well-articulated. No mention of the September 18, 2013 so-called hearing, which really was a meeting or gathering. The Judge Confirmed it on the meeting held on July 15, 2014, once again. No sworn testimony to make sure we have no creditable evidence to challenge the bankruptcy in any way.
